

Innovating spatial development planning
by differentiating land ownership
and governance

INVITATION

It is with great pleasure that we invite you to participate in the

International Conference on

“Making space for socio-spatial and socio-ecological justice in research and action strategies”

taking place in the context of the INDIGO research project.

The conference will be held from 2 to 6 July 2017 in Mytilini, Lesvos, Greece at the premises of the Department of Geography at the University of the Aegean.

For more information (sessions, detailed schedule, full list of speakers), please refer to the [website of the conference](#)

In order to participate, you are kindly requested to fill in the respective Registration form, please click [here](#)
